

VMGSim™ Process Simulator

Bringing your vision into reality

Design ▶ Troubleshoot ▶ Optimize

We provide accurate, robust and cost-effective process simulation solutions. Your productivity and competitiveness are our priorities.

Methanol Dehydration to DME

▶ Steady State and Dynamic Process Simulation for the Oil, Gas and Chemical Industries.

Sierra Disrupts Thermal Mass Flow Meter Market with Never Before Possible Thermal Dispersion Technology

Sierra Instruments introduces their new **QuadraTherm™ 640i /780i Thermal Mass Flow Meter Series**, marking a disruptive breakthrough in thermal dispersion technology. With its sensor design advancements, coupled with a proprietary iTherm "Brain", the 640i/780i achieves mass flow measurement accuracy of +/- 0.5% of reading above 50% of the full scale, ideal for the wastewater treatment, plant management, process and many more heavy industrial applications. Go to www.sierrainstruments.com to learn more.

MEASUREMENT CHALLENGES? DEMANDING SERVICE CONDITIONS?

Still proudly made in the USA over 50 years of uncompromising quality, Dynatrol® the complete line of level switches and detectors for demanding service conditions on-stream process analyzers for density and viscosity measurement/control.

INSTANT ACCESS TO CHEMICAL ENGINEERING SHOWCASE

See the latest developments in simulation and modeling increase productivity in the design of chemical processes and reactors. The brand new Chemical Showcase from COMSOL® includes a range of great resources for all things chemical, including:

- Videos
- Models
- Articles
- White papers
- And more ...

Request instant access today at:

2012 AIChE Spring Meeting & 8th Global Congress on Process Safety Conference Proceedings

The Proceedings of the 2012 AIChE Spring Meeting and 8th Global Congress on Process Safety are now available online, as individual papers, or as a CD-ROM by going to www.aicheproceedings.org. The proceedings include over 720 abstracts and extended abstracts. Past proceedings are also available. You may order CD-ROMs by calling Omnipress at 1-800-828-0305 or 608-246-2600 (international callers).
