### Agenda:

- Anti-Trust statement – Dan
- Membership updates
- 2024 Meeting Updates

### Anti-Trust Statement:

“No activity of the Committee shall involve the exchange, collection or dissemination of information among competitors for the purpose of bringing about or attempting to bring about any understanding or agreement, written or oral, formal or informal, express or implied, among competitors with regard to costs, prices or pricing methods, terms or conditions of sale, distribution, production quotas or other limitations, on either the timing, or volume of production, or sales, or allocation of territories or customers.”

### Meeting Minutes

#### Membership:

- Abraham Gonzales – Oxy Chem, EPC Director
- Tim Gilder – Shintech (EPC Director Election this week)

- Mallory Mudd – Dow (EPC Director)

#### 2024 Meeting:

- 2 sessions
  - Ethylene Operations Session
    - Dan will need a very strong Vice-Chair this year due to second session.
    - Any early paper ideas from companies?
      - Performance Benchmarking (Solomon Study?) – Sustainability Patty to follow up. **Dan and Bryan to provide contacts to Patty.**
      - Performance Benchmarking (Sanjeev Kapur – not exactly clear on this, but more plant specific than Solomon? Asked for feedback on how different from Lummus paper last year). **Dan to follow up.**
      - Miguel – Grassroots and Revamp Startup. One is furnace specific. One is recovery. – **One Abstract provided and attached to notes. 1 abstract in submission process.**
      - Harry – Penn Cracker. Caustic Drum, Looking at other papers potentially.
      - Tim G. – All4 and E-MACT. Could be focus of Joint Session?
      - Dan/Mallory – Shake the trees.
      - Exxon will shake trees. 2 potential papers. Cold Box replacement. TLE water chemistry potentially another operator or water chemistry company. – **2 papers look likely**
      - Areas of Interest: What are people interested in.
        - Circularity.
      - David – Working one paper idea with customer. **1 paper looks likely**
  - Proposed Joint Session w/ Environmental and Sustainability – Ethylene Plant Flare Operations in a Post-Ethylene MACT World
    - Tutorial (Vance Varner is interested if EPC covers 1 day meeting cost) – Agreed. Need support for EPC
    - Vendor Perspective – John Zink (Initial Agreement – Following up)
    - Vendor Perspective – Zeeco (Committed)
    - Vendor Perspective - Callidus (Limited Response, said they would consider)
    - Compliance Challenges (All4 - Committed)
    - Combined Q&A with all vendors
    - Constraints:
      - No more than 25% of the presentation can be dedicated to technology options that the provider has to be able to address the new rules and improve operations.
      - Focus on existing equipment.
      - Give each vendor 25 minutes with no questions. All in a Q&A round table about what they are seeing and to answer questions from the audience.
