

December Section Meeting: The Growing Pains of Becoming a Chemical Engineer – After You’re a Chemical Engineer

The most difficult part of my experience becoming a Chemical Engineer didn’t include earning the title of Chemical Engineer. After my formal education, I went through a series of challenges that have made me what people think of when they think of a Chemical Engineer. I’m still going through them, and I never want to stop.

Speaker

Biography:

Scott Elrod graduated from Washington University in St. Louis in 2012. He has been a project manager and a project engineer for several

companies including Shintech LA, MilliporeSigma, Chemtrade Logistics, and ICC Inc. He is currently working at Mallinckrodt Pharmaceuticals. Scott’s hobbies include playing, refereeing, and coaching hockey along with running, golf, traveling, and loving his Saint Berdoodle.

December Section Meeting

Topic: The Growing Pains of Becoming a Chemical Engineer - After You’re a Chemical Engineer

Speaker: Scott Elrod

Date: Tuesday, December 7th

Time: 6:00 – Introduction
6:05 - Career & Technical Discussion
7:05 – Q & A

Cost: Free, Registration Required

Location: Online Zoom meeting

REGISTRATION REQUIRED. More information can be found on our [website](#).
