This tour will be at the Ponysaurus brewery in Durham and hosted by Keil Jansen and Nick Johnson. Ponysaurus Brewing Company opened its doors in Durham, NC in the Spring of 2014 in the attic above the cookery. Growing from those small beginnings in just three short years, they've gone from bonking their heads on rafters to being named a "Next Level Brewery" by Food & Wine, and brewing what thrillist.com calls "the best pint in Durham, and one of the 50 most underrated breweries in America."

Keil Jansen is the mastermind behind the recipes and brewing processes. Before founding Ponysaurus, Keil was a Special Education teacher for seven years, in addition to being a passionate home brewer. Keil founded the BrewDurham home brew festival in Durham, which has connected home brewers with hundreds of enthusiastic drinkers since 2011.

Nick Johnson is a licensed contractor, and owner of a variety of companies including The Cookery, Dashi, and Bull City Restoration. Nick brings his expertise as a commercial designer/builder, experience in hospitality, and a keen eye for efficiency in operational logistics and sourcing to the Ponysaurus team.
