A. I. Ch. E. MEETING - APRIL 9, 1958

Chicago Section

TIME:
6:30 P.M.

PLACE:
Allgauer's Fireside Restaurant
7200 North Lincoln

DINNER:
\$4.00 Per Person

SPEAKER:
Dr. Hoyland D. Young
Director of Technical Information
Argonne National Laboratories,
Technical & Professional Development

SOCIAL PERIOD:
6:00 P.M.

APRIL MEETING

The April meeting of the Chicago Section will be held at Allgauer's Fireside Restaurant which is noted for its fine food and distinctive atmosphere.

Dr. Young, the speaker for the evening, has been associated with the Argonne National Laboratory since it was first established. As Director of Technical Information, she is in charge of editing technical reports and the declassification of restricted information. She is active in the American Chemical Society and is a recent past chairman of the Chicago Section of A.C.S.

NOMINATIONS FOR THE COMING YEAR

Chairman Alford has announced that the nominating committee for the annual election of officers has been appointed. This year the committee is composed of Everett N. Mortenson, Chairman (Swift & Company), Ralph H. Potts (Armour Chemical Division) and W. G. Burk (Corn Products Refining Co.). The election of officers will take place at the May Section Meeting on May 14 at the Builders Club.

As a help to your nominating committee, would you please fill in your suggested candidate for the elective offices of the Section. The completed nominating form should be returned to:

Mr. E. N. Mortenson

F E B R U A R Y M E E T I N G

The February Meeting of the Chicago Section, A.I.Ch. E. was the annual Ladies Night meeting. It was held at Mangam's Chateau, where approximately one hundred members and guests learned about "TAKING TIME OUT FOR BEAUTY". Sponsor for the Social Period was Victor Chemical Works.

M A R C H M E E T I N G

The Builders Club was the location of the March Meeting of the Section. Approximately one hundred and twenty-five members and guests were on hand to hear an interesting talk by Dr. Mars G. Fontana of Ohio State University who spoke on "CORROSION IN THE CHEMICAL PROCESS INDUSTRIES". Dr. Fontana appeared through the courtesy of the Duriron Company.

To the disappointment of most of the members present, there was no sponsor for the Social Period.

P E R S O N A L N E W S

Herb Senning has joined the Central Engineering Department of Witco Chemical Co.....A girl, Janet Kim, was born to Mr. & Mrs. Morlock (Carbide and Carbon Chemical Co.) on February 14....Dave Milligan of Blaw-Knox Co. is the proud father of his third boy, Bruce Edward, Born on February 26....Phil Lindahl of Blockson Chemical Co. became the proud father of a 6 lb. 12 oz. baby boy, Mark Peter. ...Edward G. Eeg has joined the Experimental Engineering Department at S. C. Johnson & Son, Inc. He was formerly with Goodyear in Akron....Dr. N. L. Carr of Pure Oil Co. entered Henrotin Hospital on March 4 for an appendectomy operation....W. A. Rowan, Chemical Engineer, has been placed in charge of Podbielniak, Inc.'s new Sales Demonstration Laboratory opened recently at Hillside, Illinois....Clyde Bazell, Podbielniak, Inc., recently returned from Mexican Hat, Utah where he supervised the start-up of a solvent extraction plant for recovery of uranium....Gordon Weyermullen of the "Chemical Processing" editorial staff attended the national meeting
