

A MERICAN | NSTITUTE OF - Ch EMICAL E NGINEERS

- T H E N E W S L E T T E R -

AICHe MEETING, MAY 9, 1962

PLACE: BUILDERS' CLUB

LA SALLE & WACKER

CHICAGO LOOP

SOCIAL PERIOD: 6:00 P.M.

DINNER: 6:30 P.M.

SPONSOR: DORR-OLIVER CORPORATION

COST: \$4.25 MEMBERS
\$4.75 NON-MEMBERS

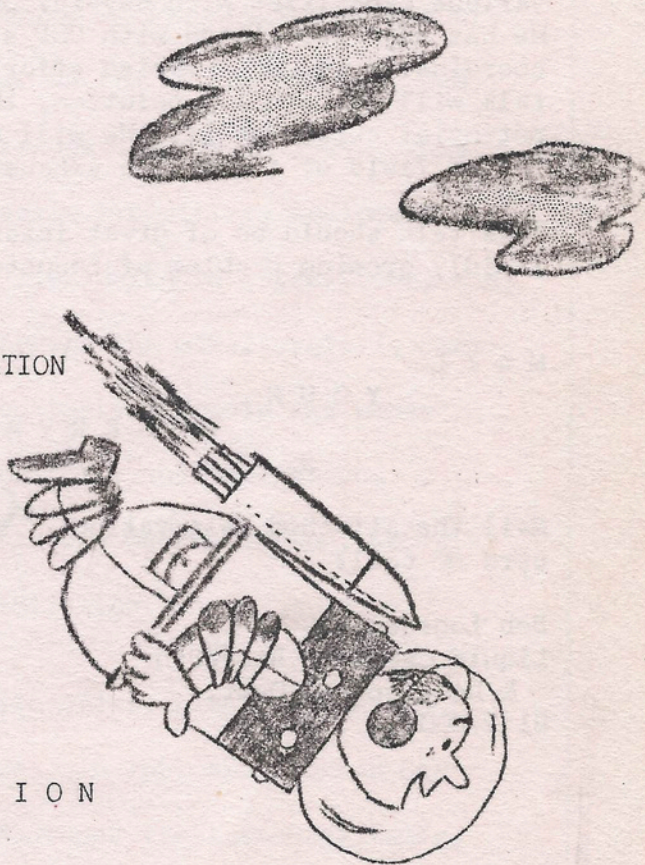

SPEAKER: MR. JERRY HAMBLIN

COORDINATOR OF UOP

PURZAUST PROGRAM

SUBJECT: AIR POLLUTION

A L S O E L E C T I O N
O F
O F F I C E R S

SPEAKER: J E R R Y H A M B L I N, COORDINATOR OF UOP PURZAUST PROGRAM

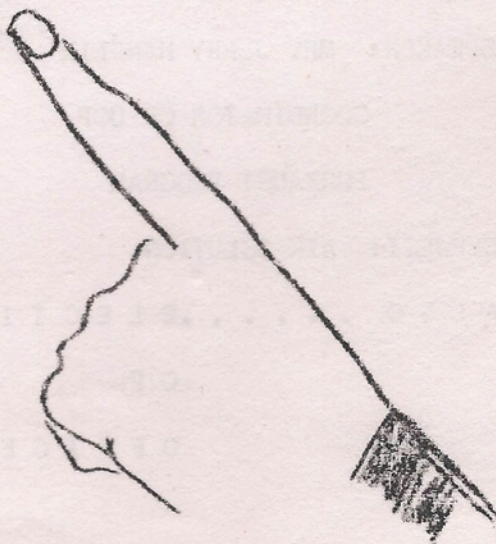

A graduate of the University of Birmingham, England, with a M.S. in Chemical Engineering from Wisconsin. Mr. Hamblin has had a varied career as major in the British Army during World War II, and in various capacities with several petroleum companies, since then. He has been associated with UOP since 1956. He is now engaged as a coordinator of UOP's varied efforts in the air pollution field. His talk will concern air pollution, the types of pollution, the sources and potential cures for it. He will comment specifically on UOP's work in the field of automotive exhaust purification.

This talk should be of great interest to everyone concerned with the rapidly growing problem of industrial and automotive air pollution.

ABOUT THE SPONSOR :

The Dorr-Oliver Corporation is a world wide engineering and manufacturing firm. It was formed in 1955 by the merger of the Dorr Company and the Oliver United Filter Company, and later acquired the Merco Centrifuge Company in 1957. This Corporation manufactures and sells proprietary equipment for liquid-solid separations, liquid-liquid separations, and fluidization processes. They service the metallurgical, chemical, petroleum, food pharmaceutical, and pulp and paper industries. They offer equipment for unit operations requiring agitation, classification, sedimentation, centrifugation, filtration, and fluidization.

The Dorr-Oliver Corporation also offers plant design and consulting engineering services. In 1961 they formed the Dorcon Corporation which manufactures steel storage tanks, water tanks, distillation columns and miscellaneous vessels for the processing industry.

Section
the gra
of their

PERSONAL

ABBOTT I

AMERICAN

members have been listed in the April issue of the NEWSLETTER. They have all contributed mightily to the success of the Chicago Section activities for 1961-62. As Chairman, allow me to express the gratitude of the Section to all those who have given so generously of their time and effort in making this year a success.

Bob Opila, Chairman
Chicago Section, A.I.Ch.E.

PERSONAL NEWS.....PERSONAL NEWS.....PERSONAL NEWS.....PERSONAL NEWS

ABBOTT LABORATORIES - Reporter: J. R. Coates

R. C. Barnes has just returned from England and Italy, and J. Grochowski is in Turkey, in connection with expansion of Abbott Facilities in these countries.

Fred Wear has been transferred from the Engineering Department to the Chemical Manufacturing Department.

W. T. Sullivan has received one of the annual awards presented by the Scientific Division to outstanding members of their staff.

AMERICAN OIL COMPANY - Reporter: M. E. Oxenreiter

Four Members of the Research & Development staff have been advanced to new positions. In the general office in Chicago, W. A. Wilson has been appointed patents & licensing coordinator. Succeeding him at Whiting is T. D. Nevitt. J. A. Wuellner has been appointed senior project chemist and F. M. Backstrom, project chemical engineer.

Maurice Alfille, B.S. California, has recently joined the staff.

-continued-

T. O. Wagner presented the paper, "The Lattice Method for Design of Experiments with Fuels & Lubricants"; in San Antonio at symposium on statistics and computers. J. W. Gorman is co-author.

At a symposium sponsored by the catalysis clubs of New York and Philadelphia, A. W. Weitkamp spoke on the catalytic hydrogenation of naphthalene and methylnaphthalene.

ARMOUR RESEARCH FOUNDATION - Reporter: R. Snow

A daughter, Joan Marie, was born to Mr. and Mrs. John Bitten.

Victor Ivanuski was promoted to Assistant Experimentalist, and Raymond Rimkus to Associate Chemical Engineer.

CHEMICAL PROCESSING MAGAZINE - Reporter: T. Wett

A bouncing baby boy, James Michael, was born to Mr. and Mrs. Ted Wett on March 12, 1962. Ted is Associate Editor of CP. "Jimmy" weighed 5 lb - 0 oz. This is lucky No. 7 for Ted. The clan now consists of five girls and two boys! To get away from it all (Baby bottles, Diapers, etc.) Ted dashed off on a week's trip to New York and Philadelphia during April 9-13, 1962. Business, of course....

Other Associate Editors, Ted Meinhold and Gordon Weyermuller attended the NACE conference and Corrosion Show in Kansas City, March 19-23, 1962.

CITIES SERVICE OIL COMPANY - Reporter: E. W. Ellis

E. W. Ellis recently presented a paper before

CORN PRO

INTERNATI

VISKING C

the Calumet Subsection of the American Society for Quality Control on "Application of Statistics to Laboratory Problems."

CORN PRODUCTS CO. (TECHNICAL DIVISION) - Reporter D. Gaichas

Bob Opila not only was A.I.Ch.E. Chicago Section Representative, but also co-chairman of the Water Technology Session at the American Power Conference on March 28, 1962.

The name Ann Maureen Wetzstein came into existence via Frank and Karen Wetzstein on March 25, 1962.

Wolf "Pancho" Kollacks is now sporting a mustache and wearing sun glasses all the time. Obviously his recent vacation to Mexico caused a Latin flavor to infiltrate into his personal environment. He probably would have the ten gallon hat also but he drives a compact and wouldn't be able to get in. If you're intending to visit Mexico in the near future, write to Wolf and he'll answer any and all questions he can.

INTERNATIONAL MINERALS & CHEMICALS CO. - Reporter A. Longhini

Mr. Thayer Rudd has joined IMC's Technical Division as a Development Specialist.

VISKING CO. - Reporter: E. S. McGlynn

Vince Dudenhoeffer recently transferred from Union Carbide Nuclear Co. to the Chemical Section of the

Visking Company General Engineering Department
Vince received his B. S. in Mechanical Engineering from Missouri School of Mines and Metallurgy.

A B O U T T H E C A N D I D A T E S :

The Nominating Committee proposed the following slate of officers for the Chicago Section of the AIChE:

Chairman	H. M. Betzig	-	
Vice-Chairman	G. H. Weyermuller	-	L. O. Stine
Secretary	H. C. Thorne	-	A. A. Winkler
Treasurer	W. T. Sullivan	-	R. J. Narta
Director	T. F. Meinhold	-	R. E. Lyon

(BRIEF BIOGRAPHICAL SKETCHES FOLLOW)

H. M. BETZIG

Presently Vice Chairman of the Chicago Section. Previously served as Treasurer and Chairman of the Vocational Guidance Committee. Vice Chairman of the General Arrangements Committee for the December, 1962 National Meeting and member of the Board of Directors (as AIChE representative) of the Illinois Engineering Council. Served this year as representative to the American Power Conference.

A graduate of the Carnegie Institute of Technology,

ing Departme
hical Engi-
ines and

he is Recruitment and Scholarships Chairman for
the Chicago Carnegie Clan. He is Assistant
Division Manager of the Process Division
THE AUSTIN COMPANY located in Chicago Heights.

G. H. WEYERMULLER

Secretary Chicago Section 1961-62
Chairman Publicity Committee 1961
Chairman Program Committee 1960-61
Member of Program Committee 1959-60

BACKGROUND:

In 1952 joined CHEMICAL PROCESSING after 12
years with management problems at Hercules
Powder Company.

BS Degree Chemical Engineering, University
of Kansas, member of NACE, ACS, AIChE,
post-graduate work in journalism, English,
related subjects, Rutgers, Columbia and
Northwestern.

Specializes in cryogenics, petrochemicals
and technological advancement articles for
CHEMICAL PROCESSING.

L. O. STINE

Graduated from the University of Minnesota in Chemical Engineering in 1945. Member Sigma XI and PHI Lambda Upsilon. Served two years in the Navy. Obtained an M.S. in Chemical Engineering from Northwestern in 1948.

Has been associated with Universal Oil Products in pilot plant and technical service activities. Presently, Manager of the Process Development Department. Has published many technical studies.

Has served the Local Chapter on the Program Committee last year, as its chairman this year, as present chairman of the Foreign Student Committee, and member of the Ad Hoc Committee for professional development. Is a senior Member of the National AIChE and chairman of the Registration Committee of the 1962 Annual Meeting.

H. C. THORNE

Supervisor of Investment Evaluation at American Oil Company. Previously with Amoco Chemicals Corporation and Whiting Research Department of Standard Oil Company where he specialized in economic evaluations of chemical projects. Has a B.S. degree in chemical engineering from Cornell University and a M.B.A. in finance from Northwestern University. Is director of the Chicago Section, American Association of Cost Engineers and chairman of the 1962 National AACE convention. Chicago Section AIChE activities include Treasurer of the Section, Chairman of the house committee, Chairman of the publicity committee, and work on various Section committees.

was Chairman of the Awards Banquet for the 1962 Annual Meeting.

A. A. WINKLER

Project Leader, Development Engineering Group, Chemical Engineering Department, Technical Division, Corn Products Company, Argo (1947); Graduate Purdue University (1941); Development Engineering U. S. Rubber, Mishawaka, (1941); Development Engineering Neville Company, Pittsburgh (1945-46); Production Manager, ABC Chemicals, Pittsburgh 1946-47).

Joined AIChE Local and National in 1948; Corn Products membership representative since 1955; Vice-Chairman, Membership Committee, 1961-62, West Division; Newspaper publicity, Public Relations Committee, National Meeting, Chicago 1958; Chairman, Public Relations Committee, National Meeting, Chicago, 1962.

W. T. SULLIVAN

Education - B.S. (Ch. E.) University of Michigan

Employed - Abbott Laboratories

Previously - Section Manager, Engineering Development Production, Design and Development Abbott Laboratories, 1943-53; 1957 present. Sales Engineer - Podbelniak, Inc. 1953-57

Junior AIChE Member since 1944 - Member since 1952

AIChE Committee Activity

Chicago Section Vocational Guidance 1959-60
Chicago Section Vocational Guidance 1960-61
Chicago Section Membership Chairman 1961-62
National Membership Committee 1962

R. J. NARTA

1956-60 Chemical Engineer - Chemical Development
Section of General Engineering Dept.

1960- Technical Assistance Engineer - Tech. Asst.
Present Group Food Casings.

Member Chicago Section AIChE 1956 - Present

Associate Member National AIChE 1958 - Present

Assistant Membership Chairman Chicago Section 1960-61

Assistant to Secretary Chicago Section 1961-62

Visiting Membership Representative Chicago Section 1961-62

1953-55 U. S. Army CPL. Public Information Specialist,
Fire Direction Control 105 MM gun.

* * *

I. F. MEINHOLD

Associate editor of Chemical Processing where he
has worked since 1953.

Has worked in Development and Production at
Armour & Company and Seagram's Distilleries,
and in Research and Development at Ditto, Inc.

Was Chief of Inspection Operations, Chicago
Chemical Procurement District, U. S. Army
Chemical Corps and served in the Army Chemical
Warfare Service in World War II.

(continued)

T. F. MEINHOLD

continued

Asst.

Holds a B. S. in chemical engineering from the Illinois Institute of Technology. Is a registered professional engineer in Illinois.

-61

Has been active in the Chicago Section of the AIChE for 16 years during which time he has served as Chairman, Vice Chairman, Secretary, and Treasurer of the Section and Chairman of the House Committee. Has worked on numerous other Section Committees.

* * * *

R. E. LYON

1961-62

ist,

A senior project chemical engineer in the Research and Development Department of American Oil Company which he joined in 1953. He has B.S. and M.S. degrees from Michigan College of Mining and Technology, and a Ph.D. degree from the University of Michigan.

He is a registered professional engineer in Indiana and a veteran of World War II. He joined the AIChE as an associate member in 1948 and became a full member in 1958. He has worked on Chicago Section committees for the 1957 and 1962 national meetings.
