[REDACTED]

Dear Frederic:

I am pleased to inform you that the AIChE Board of Directors approved your election as a Fellow of the American Institute of Chemical Engineers, the highest grade of membership. This honor reaffirms the high esteem with which your colleagues and peers view your distinctive professional achievements and accomplishments.

AIChE looks forward to formally recognizing your election to the grade of Fellow through various AIChE media. In order for us to recognize your achievement in a timely manner, please complete and submit the requested information on the Fellow Biographical Data Form at the following link: www.aiche.org/newfellow. Here you will also be able to indicate how your name should appear on the Fellow certificate and where you would like to receive your pin and plaque. Please be aware that that publication dates for Fellow profiles in CEP Magazine and other AIChE media are dependent upon several editorial factors, and as a result, exact publication dates cannot be guaranteed.

If you are planning to attend AIChE's 2019 Annual Meeting, which will be held in Orlando, FL from November 10-14, you have the opportunity of receiving your Fellows pin and plaque at the Fellows Breakfast, which is scheduled to be held on Tuesday morning, November 12. At the breakfast, your peers will recognize this significant achievement. Joseph Rogers, 2019 Chair of the Fellows Council, will send you details regarding the breakfast as we get closer to the date.

If you have any questions concerning your Fellows election, please contact the AIChE Customer Service Center at 1-800-242-4363 or email AdCom@aiiche.org.

Again, my sincerest congratulations. On behalf of AIChE, we are proud of your achievements and welcome you to this group of distinguished professionals.

Sincerely,

June Wispelwey
Executive Director & CEO
