

Cleveland Technical Society Council Scholarship Class of 2020 (AIChE Award)

Mr. Joseph Spagnuolo, PE (Vice Chair AIChE Cleveland Section), and Ms. Ariela Getting (AIChE Scholarship Award Recipient) Kirtland High School

Cleveland Technical Society Council Scholarship Class of 2020 (AIChE Award)

Meet the CTSC Scholarship Class of 2020

Although we were not able to hold our annual banquet, we still provided scholarships to deserving students. And here they are: eight scholarship recipients.

Kelly Boddy
Magnificat High School

I would like to thank the Cleveland Regional Council of Science Teachers for their generous donation. My current goal is to receive my undergraduate degree from The Ohio State University and a certificate in Spanish as a minor. After this, I hope to attend medical school, and then become

Dylan Forbes
Brecksville-Broadview Heights
High School

Thank you Lubrizol for generously donating to my future education. I will continue to pursue my passion for science at Purdue University with a major in chemistry. I may even work for you one day as a research chemist.

Ariela Getting
Kirtland High School

To the American Institute of Chemical Engineers, thank you so much for my scholarship. I am honored to be receiving this scholarship and I am grateful for your help in continuing my education. I will be attending Cornell University this fall to major in biomedical engineering.

The high school students selected for scholarship awards through CTSC are nominated by their teachers as the best STEM students at their respective schools. And, more than half of all CTSC scholarship recipients go on to earn advanced degrees. CTSC scholarships represent the best return on your scholarship donor investment. Due to the skyrocketing costs of today's college expenses CTSC has decided to increase its scholarships to \$1,500 per student.
