Zoom Meeting

The Zoom meeting interface displays four active video thumbnails in a 2x2 grid. The top-left thumbnail shows Lewis Elton, an older man with glasses and a patterned shirt. The top-right thumbnail shows Joe Yurko, a man with a beard and glasses wearing a grey t-shirt. The bottom-left thumbnail shows Art Greenberg, a man with a white beard wearing a blue cap and a white shirt. The bottom-right position is occupied by a name card for Marty Sudar. Below the name cards, a larger name card for Sumaiya Ahmed is visible with the text 'Connecting to audio ...' underneath. The Zoom meeting title 'Zoom Meeting' is in the top left corner of the window.

The Zoom meeting sidebar on the right side of the screen shows a list of five participants. Each participant's name is preceded by a small colored icon and followed by status icons for audio and video. The participants listed are: Joe Yurko (Host, me), Art Greenberg, Lewis Elton, Marty Sudar, and Sumaiya Ahmed. At the bottom of the sidebar, there are buttons for 'Invite', 'Mute All', and a three-dot menu.
