ICE CREAM SOCIAL & Tour, Mitchell's Ice Cream (Flagship), Ohio City

Learn more about our handcrafted ice cream, how Mitchell's Ice Cream was started, and the transformation of an old theatre into our Ohio City Flagship Kitchen & Shop.

Abstract:

Tasting Tours begin in our Retail Shop and walk through our gallery space with a full view of the kitchen. Each tour lasts approx. 30-45 minutes, however, an entire hour is booked to accommodate discussion, guest questions, and enjoying ice cream. While watching ice cream being made, your guide will provide samples of freshly made ice cream and freshly baked ingredients used in our ice creams! Throughout the tour, you'll learn about some of the ingredients we're proud to use, how we make our ice cream, and how we've incorporated our concern for the environment into everything we do.

After the tour, you will receive a complimentary *Free Scoop Certificate* to enjoy anytime. Public Tasting Tour spots can be booked below. A spot does not need to be booked for guests age 3 or below unless you would like them to receive a complimentary *Free Scoop Certificate* of their own.

We cannot accommodate dietary or special requests for Tasting Tours.
