

Dinner following the social hour gathering with background music by the Cleveland Orchestra.

Introduction by Mike Galgoczy for the presentation by Marianne Corrao presenting on “Process Safety & Occupational Safety – Heinrich’s Triangle”

Mike Galgoczy, CLE AICHe Chair, presenting the Letter of Appreciation from the CLE AICHe Steering Committee to Marianne Corrao, Founder & Executive VP NEXUS Engineering Group

P.J. Peck giving the 3-D Vision System a trial run with Joe Santocides, NEXUS Engineer.

P.J. Peck giving the 3-D Vision System a trial run with Joe Santocides, NEXUS Engineer. With a double tap of his fingers the 3-D system advances to the next step. Much like a double click of the mouse on a Microsoft system.

Joe Santocides, NEXUS Engineer, giving the 3-D Vision System a trial run.

P.J. Peck without the 3-D Vision System!
