

**Chemical Engineering Career Panel**  
**and Student Scholarship Award Dinner Meeting**

**Date:** Tuesday, May 24, 2022

**Program:** Please join us at our signature event as we continue our annual tradition of awarding scholarships to local high school students pursuing careers in Chemical Engineering. This year we are awarding a scholarship to Makenna Locke, a senior at Elizabethtown Area High School. Ms. Locke will be attending Georgia Tech this fall.

As an added bonus, a panel featuring two AIChE Local Section members will discuss their career paths to give further insight to their career selection. Each speaker will give a brief presentation, followed by a short Q&A period.

This is a great opportunity for seasoned and young professionals alike to gain first-hand information and practical advice on diverse career paths within Chemical Engineering.

**Location:** The meeting will be held in the Club Lounge in the Giant Center in Hershey. Address: 550 E Hershey Park Dr, Hershey, PA 17033

Arriving at the Giant Center, follow the signs for Suite Holders Parking. Refer to the parking map at <http://www.hersheyentertainment.com/giant-center/assets/pdf/parking-map.pdf> From here, enter the building via the Suite Holders Entrance and take the elevator to the third floor. Follow signs for the Club Lounge. There is no charge for Suite Holders Parking.

<b>Schedule:</b>	5:00-5:30	Arrival & Networking
