

## AIChE Susquehanna Section – Summer Tour & Social Gathering

Date: Wednesday, July 18, 2018

Program: Join us for an iconic summer evening of camaraderie over a couple rounds at one of PA's premier craft distilleries!

Located in the heart of Lebanon County PA, Hidden Still Spirits continues the long history of distilling spirits, which can be dated back to 1753. In December 2014, Hidden Still Distillery purchased a 100-year-old building in downtown Lebanon, integrating the rich history of the building with modern elements.

Hidden Still Distillery specializes in "Grain to Glass" Spirits & PA Preferred Food.

The evening will begin with a distillery tour guided by a professional distiller. Following the tour, sample some of Hidden Still's craft offerings, take in the rustic atmosphere, and put a team together to tackle trivia night!

There is no cost for this event.

**Attendees will be responsible for their own food & beverage purchases.**
