

AICHe Susquehanna September Meeting – Pennsy Supply Quarry Tour

Date & Time: Thursday, Sept. 27, 5:00-8:00 PM

Program: Our first meeting of the 2018-2019 year will be at Pennsy Supply's (<http://www.pennsysupply.com/>) recently upgraded quarry in Annville, PA. The tour will be led by Brian Slevin, Operations Manager for the site.

Pennsy Supply is the leading manufacturer of aggregate, sand, asphalt and concrete throughout the North and Central Regions of Pennsylvania, providing materials for commercial construction, infrastructure development and residential building.

Serving the region for more than 90 years, Pennsy Supply operates over 15 asphalt plants, 12 aggregate quarries, 3 sand sites and 6 ready mix concrete plants.

To join us on this tour, you must have steel tip shoes/boots (they will not supply these). Safety glasses and hard hats will be provided (but please bring your own if you have them).

Due to site restrictions, we are limited to 15 attendees – first come, first serve. Preference will be given to Susquehanna Local Section members.

Following the tour, we will go for dinner to Babe's Grill House in Palmyra (<http://babesgrillhouse.com/>). This is optional and pay-as-you-go. Please indicate in your RSVP if you are going, so we can make a reservation.

A 1-hour Professional Development Hour (PDH) certificate is available. These will be emailed following the meeting. Please indicate in your RSVP if you would like to receive one.

RSVP: To RSVP, send an email to Josh Marteny at joshmarteny@gmail.com indicating your name, whether you are a Local Section member, confirming you will be wearing steel tip shoes/boots, whether you are coming for dinner, and if you want a PDH certificate. RSVP deadline is Monday Sept. 24.
