In 2004, the Awards Chair proposed that this Award be made the responsibility of the Awards Chair so that each year the Chair Appreciation Award is an automatic process with the Awards Chair being responsible for ordering the Chair Appreciation Award Plaque with the Chair-Elect approving the order. Awards Chair is responsible for the customary arrangements.

From 1982 to 1990, the STS Chair Appreciation Award was voted by each succeeding Executive Committee. Obviously, this practice was not continued in 1991.
