We intend to announce our AIChE Scholarship award winners for 2016 at this meeting, but we have not chosen them yet! We will announce the winners in a forthcoming newsletter before the meeting. Come meet and congratulate our award winners and their families!

Our speaker is George P. Tyrian, P.E. of Civil & Environmental Consultants, Inc., located here in Charlotte. George will be presenting a case study on an industrial wastewater, Physical/Chemical and Biological Pretreatment of a Bakery Processing Wastewater.

George is a section member, the Chapter Secretary, and a project manager with Civil & Environmental Consultants, Inc., a consulting engineering firm located here in Charlotte. He earned a B.S. in Chemical Engineering from the University of Rochester, and is a licensed professional engineer in seven states.

Other Business:

We are looking for a group to evaluate the scholarship applications that we have received this year. Tentative dates to meet are either Tuesday, May 24, or Wednesday, June 1 at the Waldhorn Restaurant. Meeting will be over dinner (provided by the section!) and will be 6:30 PM – 8:30 PM. The purpose of the meeting is to review and evaluate the scholarship applicants and notify our award winners when and where the meeting will be in June. We need 5-6 volunteers to assist Kellie. Please e-mail Kellie Hedrick (or myself) if you are interested in assisting in this evaluation, and which day you are available. The reviews will take place only over a single evening.
