Subject: Letter of Appreciation

Dear sir;

Thank you very much for delivering an informative & thought provoking lecture as Guest Speaker on “Chemical Engineering week” held on 21th April, 2019 at National University of Engineering.

“Obtaining liquid fuels from plastic waste”; it was really a splendid presentation and we believe that the knowledge you have shared will help immensely in the professional development of the chemical engineers.

All the attendees appreciated and got benefited from your views on the subject.

Looking forward for your cooperation for the promotion of professional education in future as well.

Yours sincerely,

Fernando Quintana, Chair
AIChE Peru Local Section
