Each year, the conference is made possible by generous contributions from corporate sponsors. This year (2025) is a special year for AIChE Chicago – it is our Centennial! We are the first local section of AIChE to turn 100 years old, and we are planning a special Centennial Celebration on May 10 at the Carleton in Oak Park. In addition to sponsorship of MRC this year, there are sponsorships for the Centennial Celebration. Some sponsorship levels shown on the next page include sponsorship for the Centennial Celebration, but we are open to other sponsorship options for this special event!

Please help AIChE Chicago honor our 100 year heritage this year through sponsorship of our AIChE Midwest Regional Conference and our Centennial Celebration!
