Jointly Hosted by

Institutional Partner

CCPS started Webinar series on "Process Safety in Africa" in the year 2020 and experienced outstanding response from industries across the region. In last four years, it got recognition as one of the premier process safety forums in the region. These webinars provide a platform for sharing best practices in process safety and lessons learned from recent incidents/near misses. We are confident that 5<sup>th</sup> edition of webinar will offer high-quality technical content and an enhanced experience for all participants.
