

AIChE® Student Ambassador PROGRAM

Become an **AIChE Student Ambassador** and help us grow our community by recruiting new or renewing members for the AIChE global organization. Spread the word through social media or in person to maximize your impact and earn rewards such as exclusive AIChE pins, additional swag, and a chance to win a trip to the **2024 Annual Student Conference in San Diego**. With just over two weeks to rally your peers, this is your chance to make a difference and showcase your enthusiasm for AIChE!

<p>PRIZES</p>	<p>TIER 1: The four top Ambassadors (two US and two international) will receive a trip to the 2024 Annual Student Conference in San Diego.</p> <p>ASC Award includes:</p> <ul style="list-style-type: none"> ✓ Roundtrip economy airfare to conference location ✓ Complimentary registration to the Annual Student Conference ✓ Hotel accommodations provided by AIChE one of our conference hotels (3 nights) ✓ Daily meal stipend of \$50/day (up to 4 days) <p>*Not included: ground transportation costs, visa application fees, flight upgrades, checked baggage fees. If you cannot attend ASC, we are unable to provide you with the cash value of the trip.</p> <p>TIER 2: Five runners-up will receive both the Ambassador pin and additional swag.</p> <p>TIER 3: All Ambassadors who recruit at least 20% of their Chemical Engineering program to join or renew will receive an exclusive AIChE Student Ambassador pin.</p>
<p>ELIGIBILITY REQUIREMENTS</p>	<ul style="list-style-type: none"> ✓ Ambassador must be an active AIChE undergraduate student member and an active undergraduate Chemical Engineering student during the 2024-2025 academic year. ✓ Ambassador must attend a school with an active AIChE Student Chapter that submitted their 2024 Annual Report. If your chapter has not yet submitted your report, they must submit by September 29 for you to be eligible to win. ✓ There may be multiple Ambassadors from one Student Chapter, or the chapter can decide to throw all their support behind one Ambassador ✓ Your recruits do not need to be from your university, but they must be undergraduate Chemical Engineering students in an accredited Chemical Engineering program.
<p>HOW SUCCESS WILL BE EVALUATED</p>	<ul style="list-style-type: none"> ✓ Each Student Ambassador will be assigned a unique code to share with their recruits. ✓ Recruits must join or renew via the AIChE website using your unique code – you cannot do it for them. ✓ At the competition's end, AIChE will tally sign-ups by code to determine top performers. <p>Tiered eligibility:</p> <ul style="list-style-type: none"> • Tier 1 eligibility will be determined as a percentage of your Chemical Engineering program's size (as listed in your chapter's 2024 Annual Report). • Winners for tiers 2 and 3 will be determined based on their total count of joins and renews – the highest total counts will win.
<p>IMPORTANT DATES & DEADLINES</p>	<ul style="list-style-type: none"> ✓ September 11: Ambassador interest form deadline ✓ September 13: Official start of the recruitment period Ambassadors will receive their unique signup codes and a social media package that they can use to promote their involvement. ✓ September 29, 11:59PM ET USA: Final deadline for your recruits to join or renew using your code Anything received after this time will not be counted in your total. ✓ October 1: ASC prize winners notified
